A Different approach to Lent

Fasts have a tendency to be orientated toward things like giving up food or television. But there are many ways we can welcome Jesus' healing touch. Here are suggestions to consider,

1. **Fast from Anger and Hatred** – give your family an extra dose of love each day.
2. **Fast from Judging others** – before making any judgements, recall how Jesus overlooks our faults.
3. **Fast from Discouragement** – hold on to Jesus' promise that he has a perfect plan for your life.
4. **Fast from Complaining** – when you find yourself about to complain, close your eyes and recall some of the little moments of joy Jesus has given you.
5. **Fast from Resentment or Bitterness** – work on forgiving those who may have hurt you.
6. **Fast from Spending too much money** – try to reduce your spending by 10% and give those savings to the poor.

Dear families and friends of St Anthony's School,

PBS

Our **Positive Behaviour Support** focus for the next two weeks is 'transition'. Transition refers to how we move around the school. In Assembly last week Gr 6 showed us a movie they had created on how to be **safe, responsible** and **respectful** when we are moving around the school.

Teachers will be trying to 'catch' students doing the right thing so they can give them a footprint! Ask your child about our footprints!

Proof PBS works! This week I had to speak to some Grade Three boys about a game they were playing in the playground. As I mentioned the name of the game one of the boys politely told me they had changed the rules of that game already because they had judged 'it wasn't safe'.

School Board Nominations

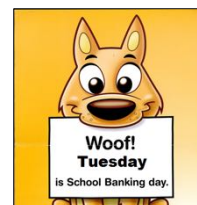

The AGM for the Board of Management will be held in April and nominations for Office Bearers are now being called. The Board of Management is primarily responsible for the finance and property of the school, working in conjunction with the Principal. Anyone wishing to nominate is asked to speak to the Principal's Secretary, Nicole Cullen, and collect an information package and nomination form. Please note that all nominees must have a current WWVP Check.

School Fees

School fees were due as at 1 Mar 2019. If you have not arranged a payment plan your fees are now overdue. Please contact Matt to arrange payment immediately.

School Banking

Student School Banking occurs each on Tuesday afternoon. Our sincere thanks to Luke Scott for volunteering to coordinate the program this year.

Emergency Practice

During this term we will hold an unannounced fire evacuation drill with staff & students, to test our response to a potential threat.

We have plans in place to ensure this practise causes as little disruption as possible. All teachers have access to a social story to support students with anxiety. Please speak to your child's teacher if you have any concerns.

If you have any queries you are welcome to call our Safety Officer Simon Natoli on 0400 105 476.

West Tamar Catholic Parish - Beaconsfield Car Boot Sale

The West Tamar Parish will be having a Car Boot Sale on **Saturday 16th March**, in the car park of St Francis Xavier Catholic Church, Beaconsfield 9.00am – 1.00pm. Cost is \$10.00 per space. Contact Rose Breen on 6396 3359 to book a site.

St Anthony's Parents & Friends Updates

Reminder: the P&F AGM is 12th March at 7.00pm in the school library. There will be wine & cheese available after the meeting to celebrate the start of the new year!

All positions are available for re-election. We are looking for executive positions as well as class representatives. Nominations forms are available from the office. If you are unable to make the AGM and are interested in helping out on the P&F or taking on a role; please speak with one of the committee or the office.

P&F survey: thank you to those who have responded already.

The survey takes 5 mins & we would really appreciate as many people as possible filling the survey out so that we can use that for the direction for the year.

If you don't have internet facilities, hard copies are available at the school office.
